

Application for Dust Control in LaGrand Township

If you are a resident, business, or gravel pit owner on a LaGrand Township Gravel Road and you do not meet the criteria of the Dust Control Policy or would like additional chloride applied. Please fill out and return the application for Dust Control to LaGrand Township by May 15th of each year if you wish to participate in the Dust Control Program. Applications received after May 15th will not be accepted.

Name: _____

Address: _____

Phone: _____

Footage requested: _____

*Mark with lath the location you want sprayed.

Once the Township receives what the current year contract price is for dust control from Douglas County you will be notified of your costs to apply the chloride. You must pay LaGrand Township by May 15th in order to receive the chloride application for the current year.
